

Dos and Don'ts for redeeming Azure Pass

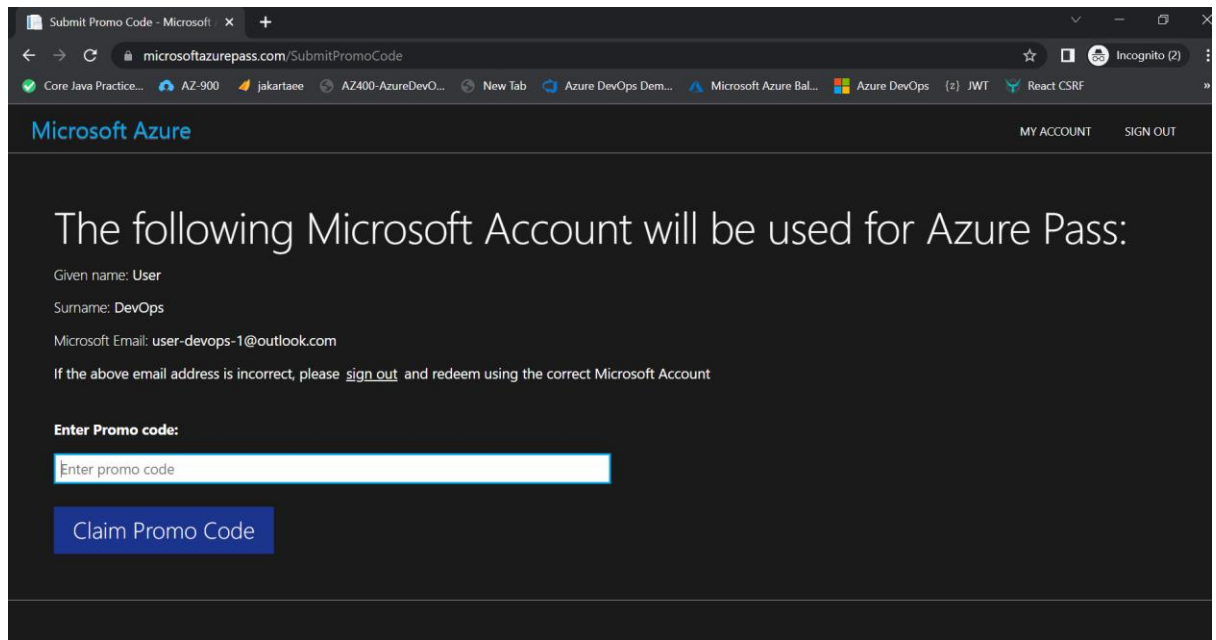

1. Don't use Organization ID
2. Don't redeem Azure pass if you already have one which has not expired
3. Create (recommended) or use existing hotmail/live/outlook id
4. Use Incognito or private browser
5. Go to site <https://www.microsoftazurepass.com>

6. Click on Start button → login with Microsoft id → make sure your id displays correctly in this case (user-devops-1@outlook.com) → Confirm Microsoft Account

7. Copy and paste the pass code or promo code and redeem the pass

8. Provide additional details e.g., phone number, address etc.
9. Once completed it will redirect you to Azure portal - portal.azure.com
